

The Wilton Method of Cake Decorating Enrollment Instructions

COURSE 1

Building Buttercream Skills

In Course 1 - **Building Buttercream Skills** - You will build skills you can use for all decorating projects, from cupcakes to cakes for any occasion. Whether you are new to decorating, have been decorating for years or even just refreshing from a previous Wilton Method Course, when you have complete Course 1, you will be proud of the new techniques you've learned and ready to showcase them on your next project.

Learn to:

Make icing the right consistency	Fill and use a decorating bag
Ice and decorate cupcakes	Pipe lines and make simple borders
Make 6 different buttercream icing flowers	Transfer images to a cake to decorate
And much more !	

3 easy steps to begin your Wilton Method of Cake Decorating experience
